\* Point Fund may be subject to change if events are cancelled due to rain or covid. Then the above listed amount will be adjusted. Also there is a chance it could increase if we have real good car counts.

If we lose 3 shows the top 17 shows will count for championship. And if we lose 5 shows then the top 16 shows will count for championship. If we lose 7 shows then the top 15 will count for championship. All makeup races and new shows will be counted.
